The Brushed Brass Range

The Brushed Brass has fine vertical brush marks creating a matte effect for a subtle finish, which adds a unique and contemporary twist to the Forbes and Lomax range. These plates are lacquered for a wear resistant finish. The inserts on the sockets some with black inserts although white is available if preferred.

Available In:

Dolly Switch
Button Dimmer Rotary
Dimmer Rocker Switch
Sockets
European Sockets
Combination Range
USB Charger Sockets
Home Automation and Dimming Control

General Information:

All switches conform to BSEN 0669/1. 13amp sockets conform to BS1363, 2amp and 5amp sockets conform to BS546. Single plates measure 86mm x 86mm and double plates measure 146mm x 86mm.

A full range of socket outlets are available, including power outlets, telecom and data, audio and visual, fused connection and floor sockets.

All Forbes and Lomax switches and sockets require British standard 35mm deep flush wall boxes.
